Single: Dub Asana

Label: 19th Studio

Format: MP3/WAV/FLAC

Date Of release: November 2011

Martin Nonstatic is the commander of our 8th release. For those who don't know him, he is a Dutch-born Cologne based sound-composer, finder, traveler and lover. A sampling fanatic, Martin's soft like silk sounds mark his personal views of the auditory movement. With previous works released on fantastic labels such as Biorecordings, Silent Season and Nuwax records, Martin is paving the way to a fantastic career on the Dub techno scene. It also includes three amazing remixes from the great Urenga, the mighty Nautilus Project and the sensational Rob Velasquez, all of which with great established works from the Deep Dub techno Scene.
