

Baron Titus is unique, in the german speaking countries and areas his songs are more outstanding than of other artists. His fantasies has no limits.

Since 1990 he composes his own songs and has tons of stage and studio experiences around the country, his first album with a band (Völlig Daneben) was a nationwide success, even Metal Hammer Germany wrote about it.

Now Baron Titus expands his musical horizon with different styles, playing keyboards and producing. This album is to be launched for the english speaking countries and areas, and a start for new musical heighths.
