Get Da Funk!

Label: Mainframe Recordings

Cat No: MFR097

2017 has been an exciting year for Mainframe Recordings, and we are thrilled to welcome **Bl4ck Owlz** on board for the grande finale.

Representing French Neurofunk since 2015, the former duo, now solely run by Vik, can already look back on an impressive list of releases on prestigious labels such as *Audioporn*, *Eatbrain*, *Evol Intent* or *Invisible Recordings*.

Found yourself trapped in the woods of evil? Better **Get Da Funk** out - the Owlz have their eyes on you! A dreadful intro sees the Funk militia marching in, with tension rising alongside an Acid-esque build-up. Total carnage unleashed when the bass drops - rugged, raw and for hard heads only!
