Maya Earn - You Leave Me Wondering (Original Mix)

P&C 2015 CityForm Records All Rights Reserved

10 Sept 2015, Release of Maya Earn - You Leave Me Wondering on CityForm Records

With the love and support as well as requests from supporters, M.E. has decided to make a funky/deep/tech house track to thank his fans and supporters. With the elements and vibes that M.E has been able to mix together in this track, this has been rated one of the most played track among his DJ community before it was officially released. And now, M.E. has finally come to decision it needs to be heard and shared across to djs who like to play deep/funky house. Here it is M.E. presenting to you, to djs who like to keep the good vibe going in the club. check out "You Leave Me Wondering (Original Mix)

Maya Earn - Electronic Music Producer / DJ / Portrait Photographer

Maya Earn is an electronic music producer who is based in Singapore.

He is about the concept of the Noise Art, Visual Art, Photography, Painting, Literature, Urban Planning and Architecture. "minimalism" is used to describe the foundation of his music. It means simplicity, and with Minimal being chosen as it main genre of choice to implement the ideas with ambient sound. Maya's music is about the sound of experimental with innovative works of art from different fields and expressing the music through sounds, structures, motions, simplicities and the varieties of randomness.
