SAM PELL TIME OUT

SOUNDTRACK TO THE GREATEST WONDER: YOUR LIFE

Most of your miracles come dressed as disasters.

besser so

can you see the light

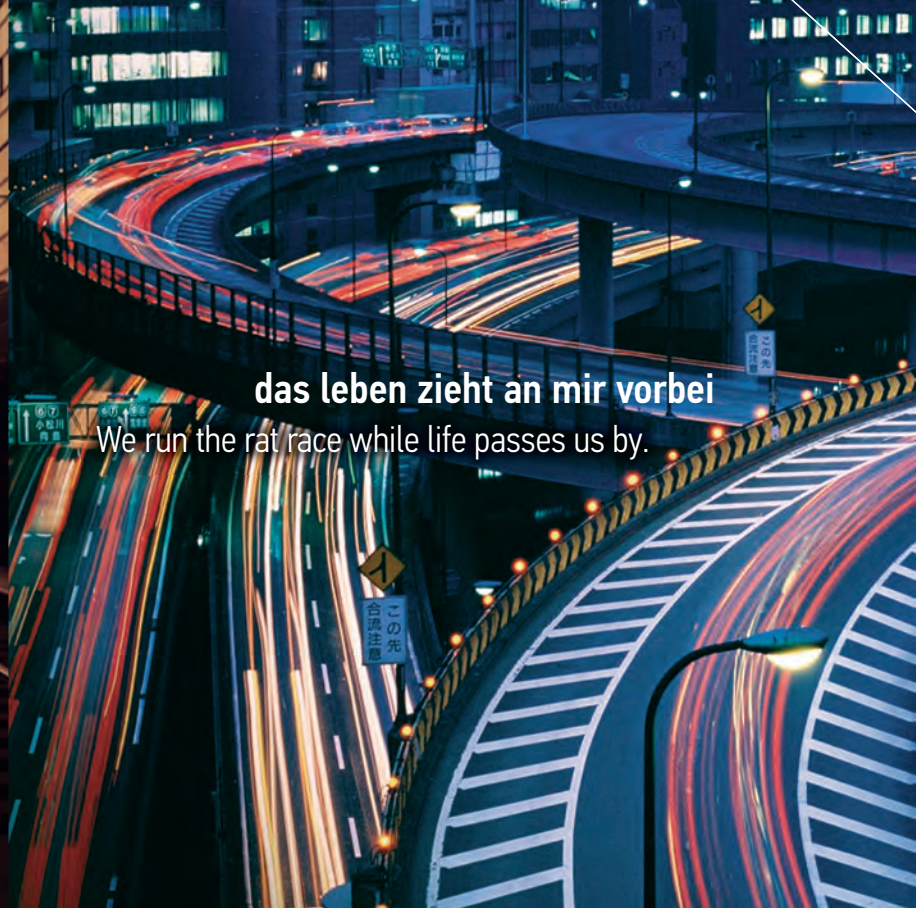

Sometimes light is hidden in plain sight.

Never mistake your tiredness for your end!

chronicles of weary

feat. Peter Brenner

das leben zieht an mir vorbei

We run the rat race while life passes us by.

es tut weh Pain comes seldom without a chance for healing.

Do not confuse rest with laziness.

lazy

Lillies, sand, trees and water used to be so much fun.
What happened?

sehr lange her

the past

These waters are not for fishing, only for learning.

Even God took time out at the seventh day. What about you?

time out

feat. Christophe Novak

We and candles may burn out but hope is never abundant.
