

Blackeyed Susan

Blackeyed Susan was an American rock band from Philadelphia active between 1990 and 1992. The band was formed by singer and guitarist "Dizzy" Dean Davidson after he left Britny Fox.

History

Blackeyed Susan was formed in 1990 by ex-Britny Fox frontman Dean Davidson.assist Erik Levy and drummer Chris Branco rounded out the lineup. Compared to Britny Fox, Blackeyed Susan showed a more blues rock influenced sound than the bawdy glam metal of the former. The band released their first album, *Electric Rattlebone*, on Mercury Records in 1991. The album was a commercial failure, and Mercury pulled their support for the band while they were on tour. During the supporting tour, Rick Crintini was replaced by Jimmy Marchiano. Blackeyed Susan began working on a followup to *Electric Rattlebone* called *Just A Taste* in 1992, but the album ultimately became a demo.
