03. Vintage Delayed Rings Of Nostalgia And Boredom

Written, performed, produced, mixed and mastered as well as cover design by Denis Efdenc at Denka Studio, Brøndby Strand, Denmark - January 2015.

*This "Trilogy..." could also be called "The Trilogy of my life".
Sweet reminder on gorgeous childhood and teenage days, tragic memories from the
bloody war in ex-SFRY and, after all, peaceful and as time's passing by,
nostalgic days in exile in beautiful Denmark.*

*Dedicated to my beloved parents, family members and my dearest friends who have
always been the most significant part of my life.*

*Thanks, Love You All!!!
