

FUTURE ROCK

Dynamite Remix EP

The special **Remix EP** of "ElectroDiscoFunk" tune "**Dynamite**" by german record producer Future Rock includes six slammin' remixes by **Raul Rincon**, **Monkey Miro**, **Fader Gladiator** and of course **Future Rock** himself. The digital Re-Release of the EP includes the "Radio Edit" of Dynamite for the first time.

Radio Edit
3:53 min

The new "Radio Edit" of the tune "Dynamite", which was mixed by producer Future Rock himself, is now for the first time available as digital release and compresses the explosive energy of the tune into less than four minutes.

Raul Rincon Remix
8:26 min

Stuttgart based DJ and producer Raul Rincon was so impressed by Future Rock's Dynamite tune that he absolutely wanted to produce a new remix version of Dynamite. His more than 8 minutes long mix includes advanced house beats, dirty synth basses and heavy guitars rocks and rocks every party crowd like hell.

Extended Club Mix
6:28 min

Specially for this Remix EP Future Rock created an extended extra long Club Mix of Dynamite. The new arrangement, deeper bass and additional scratching by DJ Rick Ski makes Dynamite definitely ready for the dance floors of this world. The "Extended Club Mix" is perfect "ElectroDiscoFunk" a la Future Rock.

Monkey Miros
Aerobic RMX
4:47 min

Monkey Miro aka Mr.Playmo is well known as a producer, percussionist and remixer in German house and hip hop area for several years now. His "Aerobic RMX" is a funky French Disco House variant of Dynamite. Additional Vocoder Voices and "4todaFloor" beat transforms Dynamite for the House Club Hottest.

Fader Gladiator
Remix
4:18 min

Daniel "Angela" Sluga aka Fader Gladiator is Future Rock's longtime "Partner in Crime" and created a completely remixed version of Dynamite. By using Disco sounds & funky horns he has produced a firing inferno, which will heat up the temperatures of the local dance floors guaranteed.

Reprise
0:42 min

Additional Dynamite bonus version by Future Rock.
