Thank you Kathy, my beautiful wife, for all your love & support. You're the best thing, that could have ever happened to me. Thank you Lena & Mona my lovely and amazing daughters. Thanks to my parents Bernhard & Tineke for their awesome support and of course to all my friends: Melli, Sandro, Verena, Role, Doris, Roger, for always being there for me & my family! Also big thx to my bandmates & friends, Dete, Roman, Stefan & Tobi for the great times & the funny moments. You're awesome & it's an honor to rock with you

Detlev: Vocals

The biggest thanks goes out to all the families, friends and fans who have always supported us throughout the years and always stood by our side.

Especially to :

My wonderful wife Miri

My children Natascha , Alex , Philipp, Emilia - you give me the strength that i need every day.

To the band and my best friends Roman , Berry , Stefan , Tobi I am proud to make music with you.

To Phil, Patrik, Olaf, Sonja and everyone who supported us on this album.

Special greetings to our friend Jürgen Bornschlegel, who was involved in a lot of the writing during the development phase of "Starting Over Now". You enriched our band with your musical influence, style and character. Thank you for being a part of Jaywalk. ROCKON!

A big thanks goes out to Phil@suiseidl studios. Your great effort in producing our new album made "Starting Over Now" sound the best it could. You helped us achieve the best performances possible.

Thank you a lot for the great time.
