## 30 Years of Ugly

The on-going saga of one of the UK's hidden gems....

Continues with a new line up with Hoggart on Bass (The Amazing Spacefrogs) and Spider Drums (Ex The Lice). A quick snap shot of the bands rawness and unbounded energy & great tunes what more could any punk want...

Recorded Live in one take at [27d Production studios.](#)

This recording sees the band revisiting some old favourite and introducing a couple of new live favourites. Starting and finishing with the original "I'm Fuckin Ugly"
