# Winter Wonderland

Sleigh bells ring, are you listening? In the lane snow is glistening  
A beautiful sight, we're happy tonight, walking in a winter wonderland

Gone away is the bluebird. In his place is the new bird  
He's singing our song, as we go along, walking in a winter wonderland

In the meadow we can build a snowman and pretend that he is Parson Brown  
He'll say "Are you married?" We'll say "No man, but you can do the job when you're in town!"

Later on we'll conspire as we dream by the fire  
to face unafraid the plans that we made, walking in a winter wonderland

In the meadow we can build a snowman and pretend that he's a circus clown  
We'll have lots of fun with Mister Snowman, until the other kids knock him down

When it snows, ain't it thrilling? Though your nose gets a chilling  
We'll frolic and play the Eskimo way, walking in a winter wonderland

Sleigh bells ring, are you listening? In the land snow is glistening  
A beautiful sight, we're happy tonight, walking in a winter wonderland  
A beautiful sight, we're happy tonight, walking in a winter wonderland  
A beautiful sight, we're happy tonight, even with no winter wonderland  
It's a damn cold night, we're not happy outside, freezing our asses off

## *URBAN METAL COALITION*

is an international project for and with artists from all around the world.

We believe that music can tear down walls and cross borders.

The color of your skin, your social standing or your mother's tongue ... it doesn't matter at all.

We just speak music! Several countries ...

*One Mission!*
